Coaches: One (1) coach for every five (5) competitors has free admission with a maximum of four (4) coaches per team. All coaches have to wear tracksuits.

Procedure: K.O. System

Group A: Qualification rounds: 2 x 1,5, finales 3 x 1,5 min;

Group B: Qualification / finales 2 x 1,5 min

The WTF competition rules will be applied with one exemption: If a **point gap of 12 points** occurs in the last round, the fight ends and the child who is leading is declared winner of the fight. If at the beginning of the last round there is already a point gap of **12** points or more, the last round does not start. The first round / first two rounds in case of finals of Group A are finished in any case.

Thanks to this rule, no child will lose with a high deficit of points. This is favourable, because children who experience a huge deficit often not only lose the fight but also their delight in taekwondo. The same is true for the parents. We do not want to see crying children and disappointed parents, but happy families – therefore a fight ends with a **12 -point-gap in the last round.**
